Hello everyone!

As you all know, we have an upcoming public meeting hosted by U.S. EPA on the Vo-Toys site. It would be great if you could share the information in this email to your email lists and/or on your websites. I've attached the English, Spanish, and Portuguese versions of the fact sheet to this email. We will also have printed copies at the meeting. In addition, there will be simultaneous translation in Spanish and Portuguese so please make sure you make this known in your email or your posts.

If you need additional information, please do not hesitate to reach out to me.

Thanks!

**PUBLIC MEETING on VO-Toys site:**  
Wednesday, September 12, 2018 at 7 PM
